Dear Sisters in Alpha Delta Kappa,

As we celebrate Alpha Delta Kappa Month, we look back fondly on the wonderful experiences we have shared as sisters. Altruistic projects, socials, fundraisers, professional growth sessions, whatever draws us together enriches our lives with ΔΔK fellowship and camaraderie along with the intrinsic rewards our good works bring. We are forever grateful to Agnes Shipman Robertson, Hattie Poppino, Marie Neal and Marion Southall for their foresight and energy as they envisioned Alpha Delta Kappa opportunities for women educators around the world.

Let this month find each of us reaching out to share the joy of Alpha Delta Kappa with others. How will you reach out to others? Are you proud of your membership in Alpha Delta Kappa, of the honor your sponsor bestowed on you? Will you speak out about your organization to others in your teachers’ room? Will you hang a sign outside your door that reads, “AN ALPHA DELTA KAPPA MEMBER TEACHES HERE”? Will you perform hands-on, face to face acts of kindness this month? St. Francis of Assisi said, “It is in giving that we receive.” As you consider others this month and the good works you may choose to do, know that you will receive far more than you give.

May the energy you bring to every opportunity in Alpha Delta Kappa reward you as you create immeasurable impact on the world.

Happy Alpha Delta Kappa Month.

In love and sisterhood,

Sue Pelchat, International President
Ann Marie Brown, International Executive Board Chairman
